FROM: PATRICK J. MEAD, Interim Director
Department of Public Works - **Transportation**

**SUBJECT: CONTRACT WITH WILLIAM KANAYAN CONSTRUCTION FOR THE AGUA
MANSA ROAD REHABILITATION PROJECT IN THE COLTON AREA**

RECOMMENDATION: (1) Award a contract to William Kanayan Construction in the amount of \$157,698 for the Agua Mansa Road Rehabilitation Project in the Colton Area; (2) Authorize the Director of Public Works to execute necessary changes in the contract for a total amount not to exceed \$15,769 in accordance with Public Contract Code Section 20142 and; (3) Authorize the Director of Public Works to execute the Notice of Completion after acceptance of the work.

BACKGROUND INFORMATION: The existing asphalt concrete pavement on Agua Mansa Road from Rancho Avenue to 0.81 mile west in the Colton area is structurally deficient and in need of rehabilitation. Accordingly, the Department prepared plans for a project to repair the road by pulverizing the existing asphalt pavement and placing new asphalt concrete pavement. This is a cooperative project with the City of Colton with the total cost of the project being shared 55% City and 45% County.

On November 18, 2003, the Board approved the plans and specifications and authorized advertising for bids for this project. Fourteen (14) bid proposals were received on January 29, 2004. The lowest bid was by William Kanayan Construction at \$157,698 followed by NPG Corporation at \$169,440 and Vance Corporation at \$182,833. The engineer's estimate was \$164,272. The Department has reviewed the proposals received and determined that they are responsive. Public Contract Code Section 20128 requires the Board to award the contract to the lowest responsible bidder and Section 20142 allows the Board to authorize the Director of Public Works to order changes in construction contracts should they become necessary in the future. Following Board approval of this item, construction should commence in mid April and be completed by the end of May 2004.

REVIEW AND APPROVAL BY OTHERS: This item was reviewed and approved by Chief Deputy County Counsel Rex A. Hinesley (387-5480) on March 25, 2004 and by the County Administrative Office (Tom Forster, Administrative Analyst, 387-4635) on March 26, 2004.

FINANCIAL IMPACT: The cost of this contract is \$157,698. Appropriations for this cost are available in the Fiscal Year 2003/2004 Transportation Budget and will be initially financed by County Gas Tax Funds (SAA-TRA-TRA-14H13541). The project is a cooperative project with the City of Colton in accordance with Agreement No. 03-801 approved by the Board on July 15, 2003. In accordance with the agreement, the City will reimburse the County for 55% of the total project cost including design, construction under this contract and construction engineering. The estimated total cost of the project will be \$205,000 which will be shared \$112,750 City and \$92,250 County

COST REDUCTION REVIEW: The County Administrative Office has reviewed this agenda item and concurs with the Department's recommendation based on the need for these improvements in order to maintain the integrity of Agua Mansa Road. This project is financed by the City of Colton and by dedicated County Gas Tax Funds and has no impact on the County General fund.
